Maxor National Pharmacy Services Corporation, an industry leader in pharmaceutical services since 1926, announced today the collaborative partnership between Sheriff Tom Tramel of TRAMEL & ASSOCIATES, LLC, and the Maxor Correctional Pharmacy Services team.

TRAMEL & ASSOCIATES, LLC, a Florida-based consulting business, was founded by Tom Tramel whose career spans over 30 years. He served as an elected three-term Sheriff, including President of the Florida Sheriffs' Association, as Director of the Florida Sheriffs' Association Statewide Task Force, as Director of the Florida Department of Environmental Protection Division of Law Enforcement, including President of the Florida State Law Enforcement Chiefs' Association, and as Investigator for the Offices of State Attorney, 2nd and 3rd Judicial Circuits, where he was assigned to the Theodore R. Prior to retiring from government and beginning his consulting business, Sheriff Tramel led many statewide efforts including: the Florida Sheriffs' Association Statewide Task Force, the Florida Environmental Crimes Strike Force and the Florida Environmental Response Team. He also conceived and directed many major statewide operations, two of which included "Operation: Thunder Road," the largest statewide drug enforcement operation in the nation, and "Operation: Green Lightning," the largest statewide environmental enforcement operation in the nation.

He spearheaded many of the Florida Sheriffs' Association successful legislative efforts during the 1990s, including the building of additional prisons, the expansion of prison capacities, the "Truth in Sentencing" 85% law requiring all state prisoners to serve 85% of their sentences before being eligible for release, the creation of the Florida Department of Juvenile Justice, and the restoration of minimum mandatory sentences for violent offenders.

He was awarded the Distinguished Leadership Award by his fellow Sheriffs for his commitment to justice.

"I am honored to serve a company with such a long and distinguished record of commitment and service, and I am proud to be a part of the Maxor Team," said Sheriff Tramel.
