For Immediate Release
Amarillo, Texas

Maxor to manage two on-site pharmacies for Unity Health Care in Washington, D.C.

Maxor National Pharmacy Services, LLC (“Maxor”), today announced the opening of two on-site pharmacies at Unity Health Care’s Parkside and Upper Cardozo Health Centers. These two on-site pharmacies will provide patients with personalized service and the convenience of having their prescriptions filled while visiting the health centers. Unity Health Care’s patients will now benefit from having their providers and their pharmacy team all in one location. In addition, the pharmacies will also provide convenient home delivery services of reoccurring prescriptions to established patients.

"Pharmacy is an essential component of *total* patient care. Unity Health Care's vision to incorporate on-site pharmacy services within their larger healthcare delivery system will mean better and more accessible care for the DC community they serve," states Ben Kelly, RPh, Vice President of Operations, Maxor National Pharmacy Services, LLC.

Maxor, who will provide pharmacy management services to both of Unity Health Care’s on-site pharmacies, has a long history of providing pharmacy management solutions and currently serves various clients the USA. With over 90 years managing pharmacies and 16 years of managing 340B operations, Maxor leverages its expertise to provide solutions to health system needs, whether through providing Pharmacy Benefit Management (PBM) services, providing support to on-site pharmacies, or both.

About Maxor

Established in 1926, Maxor is a leading pharmacy services platform that consists of these primary business segments:

- Maxor Pharmacy Management and Consulting Services, providing on-site outpatient pharmacy management, 340B audits, and consulting services to hospitals, health systems, Federally Qualified Health Centers, Disproportionate Share Hospitals, and self-funded employer groups;
- MaxorPlus, providing client and patient-focused URAC accredited pharmacy benefit management (“PBM”) services with desired clinical outcomes;
- Maxor Specialty, IV Solutions, and Pharmaceutical Specialties, providing specialty pharmacy, respiratory, and home infusion services; accredited by the Accreditation Commission for Health Care (Maxor Specialty), The Joint Commission (IV Solutions), and URAC for specialty pharmacy (IV Solutions – Lubbock, Pharmaceutical Specialties, and Maxor Pharmacies dba Maxor Specialty); and
- PickPoint, providing the design, creation, manufacturing and distribution of pharmacy technology solutions that improve the accuracy, safety and efficiency of medication delivery.

These segments offer complementary services that aim to improve the health of patients and effectively manage pharmacy expenditures for Maxor's patients and clients. More information on Maxor can be found by visiting www.maxor.com.

About Unity Health Care

As the largest network of community health centers in Washington, D.C., Unity Health Care (Unity) provides a full-range of health and human services to meet the needs of its communities through a network of over 20 traditional and non-traditional health sites and a mobile medical outreach vehicle. Unity’s team of compassionate and multicultural health professionals place Unity values into action every day to bring whole-person care and wellness to over 106,000 patients through 500,000 visits annually. Deeply rooted in the District’s neighborhoods for over 30 years, Unity strives to promote healthier communities through compassionate and comprehensive primary and specialty health care and wrap-around services, regardless of ability to pay.
